Re: United States v. Jeffrey Stover
 19-CR 163 (VB)

Dear Judge Briccetti:

I hope this letter finds you well. I am writing to respectfully request a three-week adjournment for Mr. Stover's sentencing, which is currently scheduled for July 31, 2020. I am requesting this adjournment because the video-conference system in Mr. Stover's unit at the Orange County Jail has been down for roughly two weeks and I, therefore, have been unable to communicate with Mr. Stover about his upcoming sentencing and about the Government's sentencing recommendation, which was submitted on July 15, 2020.¹ Based on communications I have had with the Orange County Jail, it is not yet known when the videoconference system will be fixed, but the jail did tell me earlier today that they are hopeful the system will be working next week. I have discussed this issue with A.U.S.A. James Ligtenberg, and he does not object to my request for a three-week adjournment.

Thank you for your consideration.

Truly,

Ben G
